COLLEGE OF ENGINEERING & TECHNOLOGY

DEPARTMENT OF CIVIL ENGINEERING

DEPARTMENT HAND BOOK

ACADEMIC YEAR 2016-2017

ABOUT THE COLLEGE

Adhi College of Engineering and Technology is one of the impressive campuses, located in an industrial sectors surrounding at Oragadam. The institute offers 5 undergraduate, 2 postgraduate programmes in engineering studies. The institution also offers Ph.D courses in Mechanical Engineering, Electronics and communication Engineering, Physics and Chemistry. The college has eminent research scholars for carrying out various innovative research projects. All the departments of Engineering are recognized by Anna University, Chennai to offer U.G & P.G Programmes. The institution is an ISO 9001:2000 certified for its quality enrichment of the education.

ABOUT THE DEPARTMENT

The Department of Civil Engineering was initiated on the year of 2011. The Department has currently 150 students on roll with an intake of 60 students per year. The department has well knowledge and eminent faculties to guide the students for a brighter future. The Department is headed by (Dr). D.S.Vijayan, Associate Professor, has more than 07 years of experience in the field of teaching. The Department is forwarding with well knowledgeable students to achieve and face the global challenges. The Department organises many Industrial visits for the practical exposure of students. The students with their own interest participate in both co- curricular and extra- curricular activities and bagged many prizes.

Vision

To turnout a competent, disciplined, quality engineers and administrators to ensure a green sustainable socio-economic progress of the country.

Mission

1. To mould our students into knowledgeable skilled, disciplined and Qualified Civil Engineers, who can address today's global challenges.
2. To mould our students into knowledgeable skilled, disciplined and Qualified Civil Engineers, who can address today's global challenges.
3. To mould our students into knowledgeable skilled, disciplined and Qualified Civil Engineers, who can address today's global challenges.

PROGRAMME EDUCATIONAL OBJECTIVES (PEO's):

PEO 1:

To produce students who can display point of view, skill, talent to communicate with team members and adapt to the latest technology by appealing themselves in life-long learning.

PEO 2:

To honorably apply their engineering knowledge and skills considering society, economic and environmental factors.

PEO 3:

To achieve a high level of technical proficiency so that they are able to apply knowledge, strong perceptive and quantitative skills to design and implement creative and sustainable solutions.

PEO 4:

To have a successful professional careers dealing with exploration, design and administration of construction projects globally.

PROGRAMME OUTCOMES (PO's):

The following are the program outcomes that the department adopts out of every student who undergoes the program of B.E., Civil Engineering: The Engineering Graduates will have:

1. **Engineering knowledge:** Ability to apply the knowledge of mathematics, science, engineering basics, and an engineering specialism to the solution of complex engineering problems.
2. **Problem analysis:** Ability to Classify, formulates, analyze and solve complex problems in construction industries using ideologies of mathematics, natural sciences and engineering sciences.
3. **Design/improvement of solutions:** Ability to plan a solution for complex civil engineering problems and design system processes to meet precise needs with suitable consideration for public health and safety, cultural, society, and environmental considerations.
4. **Conduct investigations of complex problems:**Ability to Use study-based knowledge and research methods including the design of trials, analysis and understanding of facts, and the amalgamation of the information to provide valid decisions.
5. **Modern device usage:** Ability to Create, selects, and applies suitable skills, resources, and modern engineering for calculation and displaying the complex engineering deeds with an understanding of the curbs.
6. **Engineer and people:** Ability to Relate cognitive informed by the relative knowledge to judge society, health, safety and cultural issues and the resultant responsibilities applicable to the professional engineering practice.
7. **Environment and sustainability:** Ability to understand the effect of engineering solutions in social environment and reveal the facts for bearable growth.
8. **Morals:** Ability to apply moral principles and commit to skilled ethics and responsibilities and standards of the engineering practice.
9. **Individual and team work:** Ability to Role commendably as an individual, and as a member or leader in assorted teams and in multidisciplinary backgrounds.
10. **Communication:** Ability to Communicate effectually on complex engineering deeds with the engineering communal and with society at large, such as, being able to realize and write effective reports and design credentials, make effective performances, and give and receive clear directions.

11. Project management and finance: Ability to reveal and apply the knowledge of engineering and management principles to own work, as a crew leader or a member to manage project in multidisciplinary situations.

12. Life-long wisdom: Ability to diagnose the need for the grounding and ability to engross in independent and life-long learning in the wide-ranging context of technological transformation.

PROGRAMME SPECIFIC OUTCOMES (PSO's):

- To Institute a Civil Engineering career in industry, government or academic field and achieve professional knowledge as appropriate.
- To design the fundamental features of civil engineering methods, system constituents and progressions considering safety, quality and cost consideration.
- To able design and prepare the construction documents such as provisions, indentures, engineering drawings and construction programs.
- To comprehend the fundamentals of Civil Engineering in viable contexts and in advancing construction projects.

- Obtain prior permission from Lab-in-Charge for doing experiments/project work beyond the normal Lab-hours.
- Adopt proper dress code in the Campus:
 - For Boys- Permitted: Trousers and tucked-in Shirts with collar, Shoes.
 - For Girls- Permitted: Salwar Kameez or Churidars with Duppatta
Not Permitted: Half sarees, skirts, jeans, frocks, sleeveless tops or short Chudidars or any other indecent tight fitting dresses
- No loose garments are permitted in the workshops/laboratories as a measure of safety precaution.
- Students must wear leather shoes securely strapped to heel and overcoat while in workshop/Labs.

REGULATIONS:

- Students should not resort to any form of strike and/or such undesirable activities. These are punishable and severe disciplinary actions (including expulsion) will be taken against the guilty.
- There is a grievance redressal mechanism and issues are to be sorted out then and there through the HOD.
- Students are to abide by Attendance and Leave rules.
- Ragging is punishable as per under Section 23 read with Section 10(b), (g), (p) and (q) of AICTE Act, 1987 & Extract of Tamil nadu Government Gazette Extra Ordinary Notification dt.29.01.97(Bill No.8 of 1997 Tamil nadu Prohibition of Ragging Act):
- Leave without prior permission on the first day of reopening and Internal Assessment Examinations are fined.
- Annual Tuition fees are to be paid before the commencement of the odd semester. A grace period of 5 days will be given to students as a matter of exception. Any delay beyond this 5 day period will debar the student from continuing the course/attending the class/labs.
- Those who travel by college bus should abide by Rules and Regulations of transport department. Bus routes are given for the convenience of the students
- Smoking or Consumption of alcohol inside or outside the campus is strictly prohibited.

PRACTICES:

- Students are to acquire and develop:
- Healthy practices, pleasant and normal behavior, discipline and dignity.
- Manners to greet colleagues, faculty and elders, while moving in the campus.
- Ability/skill to indulge in activities that will build the image and prestige of the institution.

Attendance and Leave (Guidelines):

- It is compulsory that all students and staff are positively present on their opening day

- Be punctual and regular for lecture classes /labs /workshops /seminars and submit assignments/records/homework in time
- Aim at 100% attendance and also ensure punctuality/regularity. Students are recognized for achieving this target. In addition, there is a group incentive for the entire class for realizing excellence in attendance.
- If a student is absent for even one period it will be treated as absent for the complete session (Forenoon or Afternoon during that day).
- It is compulsory to appear for all Tests and Model Examinations.
- General Attendance rules are given below for compliance. Daily, weekly and monthly attendance is closely and personally monitored by the HOD (includes Punctuality/and Regularity).
- Efforts must be made to realize 100% Attendance every month; once the level reaches 90%, correctives steps are to be seriously undertaken by-students, parents and the Department.
- Monthly reports are to be submitted by HODs to Principal for preventive actions through Parents.
- If the Attendance of a student is below 75%, the student will not be permitted to appear in the University Examinations and will be detained; students so detained in the respective year/semester, will have to repeat the semester/course during the next academic year.
- Students are to seek prior permission for availing leave. Whenever prior permission could not be obtained, submit the leave letter at the time of reporting to the College. (Obtain in variably signature of Parents/ Guardians/ Hostel Warden in leave letters).

Leave on Medical grounds:

- Medical leave will be accepted only in genuine and approved cases with proper medical certificate. This will be counter verified by College Hospital. Decision of RMO/ Hospital shall be final in the event of doubts, if any. However, even in case of medical leave, attendance shall not fall below 65%, failing which the students are not permitted to appear for the University Examinations.
- Medical Certificate should accompany leave letters on medical grounds.

Academic Progress:

- Students are supported to maintain steady academic progress.

- 60% or more marks in each subject are considered as the minimum level of acceptable performance in cycle tests and in model Examinations. Students are to aim at the highest level.
- Pass in Cycle/Model Test is compulsory.
- For all theory and practical courses including project work, the continuous internal assessment will carry 20 marks while the end Semester University examination will carry 80 marks.
- Procedure for Awarding Marks for Internal Assessment:
- For all theory and practical courses (including project work) the continuous assessment shall be for a maximum of 20 marks. The above continuous assessment shall be awarded as per the procedure given below

Theory Courses:

- Three tests each carrying 100 marks shall be conducted during the semester by the Department/ College concerned. The total marks obtained in all tests put together out of 300, shall be proportionately reduced for 20 marks and rounded to the nearest integer(This also implies equal weightage to all the three tests).

Practical Courses:

- The maximum marks for Internal Assessment shall be 20 incase of practical courses. Every practical exercise/ experiment shall be evaluated based on conduct of experiment/exercise and records maintained. There shall be at least one test. The criteria for arriving at the Internal Assessment marks of 20 are as follows: 75 marks shall be awarded for successful completion of all the prescribed experiments done in the Laboratory and 25 marks for the test .The total mark shall be reduced to 20 and rounded to the nearest integer.

Theory Courses with Laboratory Component:

- If there is a theory course with Laboratory component, there shall be three tests: the first two tests (each100marks) will be from theory portions and the third test (maximummark100) will be for laboratory component. The sum of marks of first two tests shall be reduced to 60 marks and the third test mark shall be reduced to 40marks. The sum of these 100 marks may then be arrived at for 20 and rounded to the nearest integer.

https://www.annauniv.edu/academic_courses/reg_aff.html. Performance of students, who have poor Academic Track Record/ Poor Performance or inadequate attendance, will be reported to Parents. In case of default, they will not

be recommended/permitted for Campus Placement/ given letter of recommendations for higher studies.

Counselling:

- There is one Faculty Counselor for Average of every Fifteen students (1:15). Students are counseled periodically on student development, issues affecting progress, academic performance, higher studies, placement, attendance, discipline, sports, extra-curricular activities etc.
- There is a fulltime Expert Counselor with specialization in Psychology. Students are supported to seek special guidance and advice from the expert counselor, as and when it is necessary.
- Students can make suggestions and feedback regarding difficulties either directly to the class in-charge / HOD /Principal or through the suggestion box (which is provided at the entrance of the Main block) or through the expert counselor.
- A Class committee meeting is held thrice per semester at suitable intervals. During these meetings the student representatives air their opinions and suggestions regarding lecture classes, lab sessions and cycle test performance to enable mid-semester corrections for realizing excellence in Teaching-Learning process.

Certificates:

- The Course Completion Certificate, Transfer Certificate and Conduct Certificates will be issued only when the student completes the entire coursework satisfactorily and leaves the college after submission.

College Timings:
