

Department of Electronics & Communication Engineering

National Level Technical Project Expo TECHNOPHIA-18

A National Level Technical Project Expo-18,"TECHNOPHIA" was organized by department of Electronics & Communication Engineering on 23.03.2018 at 10am in Dr.K.Radhakrishnan Seminar Hall, Adhi Block. Participants from various colleges across Tamil Nadu attended this event.

The auspicious start of the day was marked by the traditional lighting of the lamp with prayer Song. **Dr.K.Sakthisudhan**, **HOD**, **Dept of ECE** has welcomed address, **Smt.SujathaMaran**, **CEO**, **ACET** has delivered the presidential address and **Dr.A.Devaraju**, **Principal** has delivered the special address to enlighten the participants to the event and followed by the inaugural address was delivered to initiate everyone to think about the innovation by Our Chief Guest **Dr.M.Malleswaran**, **Professor** & HOD, Dept. of ECE, University College of Engineering, Kanchipuram.

Guest of honors:

 Dr.M.Malleswaran, Professor & HOD, Dept. of ECE, University College of Engineering, Kanchipuram.

CONVENOR: Dr.K. SakthiSudhan – HOD/ECE

Coordinators: Dr.R.Anitha, Dr.A.Latha- Professor/ECE

We have total count of 187 students registered out of which 66 inter college participants from reputed colleges like Rajalakshmi Engineering College,

Sathyabhama University, Jeppiaar Maamallan Engineering College, Panimalar Engineering College, CK college of Engineering and Technology and 21 students from Adhi College were participated and expose their project. Our college students and faculties visited their projects with full interest.

Internal Judges:

- 1. Dr.Harikrishnan, HOD/MECH
- 2. Dr.Kalaivani, Professor/CSE
- 3. Dr.Selvakumar, Professor/CSE
- 4. Dr.Sankara Gomathi, Professor/ECE

External Judge:

1. Mr.Vigneshwaran Madhavan, Founder, CEO, Protocal Electronics (P).Ltd, Chennai.

They analyzed all the projects thoroughly and selected the winners on the basis of novelty, innovation, creativity, research content and commercialization of the projects.

In the Valedictory function

Mr.Vigneshwaran Madhavan, Founder, CEO, Protocal Electronics (P).Ltd, Chennai has delivered the valedictory speech about the project expo 2018. The winners of this event were awarded with attractive cash prizes and the certificates distributed among the participants. The second prizes were awarded to the student from Rajalakshmi Engineering College, Chennai with prize money of Rs.5000/-for his project of "Personal health care assistance using drone". Also it was given to the students from Sathyabama University for the project of "Headgear and incisive bike frame for exile of civilians". The third prize worth Rs.2000/- was given to students from CK College of Engineering and Technology, Cuddalore for their project of IoT based garbage PIN disposer". Also Innovative award was given to 8 best innovative projects. They are given by,

S.No	Name of the college	Project Title
1	Rajalakshmi engineering college	Smart energy meter
2	Sri Muthu kumaran Institute of	A Unique Methodology enabling lost
	Technology	object tracking using I Beacon
3	Jersulam College of Engineering	Military Robot
4	Loyala Institute of Technology	NEX-GEN e-Learning
5	CKCET,Cuddalore	IoT based Garbage PIN Disporor
6	Jeppiaar Maamallan Engineering	Design and Development of visible light
	College	spot Lighting system for audio
		Transmission
7	Adhi College of engineering and	Battery Powered Trike
	technology	

The participants gave feedback regarding the conduct of the event. Mr.R.Kangeyan Assistant Professor/ECE has proposed the vote of thanks. The program came to an end with the National Anthem.
