

ACTIVITY REPORT

Title : Workshop on Advanced MATLAB and its Engineering Applications

Date / Time : 12.07.2022 & 13.07.2022/10.00 am

Resource Person : Mr. V.Arunkumar, Senior Trainer, Greens Technology, Chennai

No Of Participants : 55

Activity Coordinator : Mr. M. Rajavelu, AP/EEE

Description:

Department Of Electrical and Electronics Engineering Conducted The Hands On Training On **Workshop on Advanced MATLAB and its Engineering Applications** for the second and third year students with the faculty coordinator Mr.M.Rajavelu, AP/EEE .The Resource Person Mr.V.Arunkumar, Senior Trainer, Greens Technology Chennai, has shared the knowledge in step by step development of MATLAB code for industrial applications and also students can got knowledge how to draw the circuit diagram by using MATLAB components. Students have designed in simple programs by using MATLAB Simulink software and they gain their own experiences.

**Students Attending The ICT Based Tool Program Workshop On Advanced
MATLAB and Its Engineering Applications on 12.07.2022 & 13.07.2022**
